WELCOME TO THE SPIEF 2021 VENUE!
PCR TESTING AT SPIEF 2021 APPROVED TESTING CENTRES

All participants of SPIEF 2021 and events that are part of SPIEF, media representatives and staff attending SPIEF events must take a COVID-19 polymerase chain reaction (PCR) test.

PCR testing is carried out upon presentation of an accreditation document (badge) or ID. You can find your unique ID in your Roscongress personal account, by contacting Roscongress Foundation specialist, or by calling the Forum information centre at +7 (812) 680 0000.

Please note that undergoing PCR testing is an essential condition for the badge activation, not its collection. You can collect your accreditation badge first, then take the PCR test, or vice versa. Access to the Forum venue is only possible with an activated badge.

An accreditation badge is invalid without a negative PCR test result. Before going to the Forum venue, please make sure that your test result is negative and your badge is activated.

To access the test, all participants must indicate the following when signing up for the Forum or post in the Roscongress personal account:

• Information about their past coronavirus infection (COVID-19) status
• Information on presence or absence of COVID-19 antibodies (if the results are positive, please upload a scanned copy of the document confirming the presence of anti-bodies)
• Information on presence or absence of COVID-19 vaccination (if positive, please upload a scanned copy of the document confirming vaccination)
• Permanent residence address and temporary address in St. Petersburg during SPIEF 2021
• Foreign citizens arriving from abroad to attend SPIEF must upload a document (in Russian or English) confirming negative results of the COVID-19 PCR test that was taken no earlier than 72 hours prior to arrival in Russia and indicate which country they came from to Russia to attend SPIEF

The data you have provided will be added to the questionnaire in the Roscongress personal account. You can download the questionnaire and bring it to the testing centre, in which case you will not need to present your ID number to the centre’s employees as it will be indicated in the questionnaire.

Testing dates
To visit the venue during the Forum (2–5 June), you can take the test starting from 15:00 on 31 May at one of the approved SPIEF 2021 testing centres. The laboratory test to activate your badge takes no more than 24 hours. Test results are valid through 5 June.

Plenary session attendees must take the PCR test on 3 June from 08:00 to 18:00. If a participant has already visited the Forum venue on 2 and 3 June, they must take the PCR test again to attend the plenary session. Test results are valid through 5 June.

PCR testing centre and time slot selection
To ensure that you are able to take your PCR test, please choose a time and location for your test in the Roscongress personal account (‘Events – SPIEF 2021 – Event dashboard – COVID-19’ section). The Forum organizers require this information in order to plan participant logistics and ensure that the testing centres can cope with demand.

To keep waiting times to a minimum, please arrive at the PCR testing centre at the designated time.
**Test results**

Badges for access to the venue are activated according to the results of the PCR test. There are several ways to find out that your badge is activated:

- An email notification
- A notification in the [Roscongress personal account](#)
- A call to the Forum information centre +7 (812) 680 0000
- A call to the Roscongress Foundation specialist

There is no need to print test results on your own; they will be submitted directly to the Accreditation Centre for badge activation.

The results of PCR testing, passed in one of the approved SPIEF 2021 centers, will be sent to all participants in Russian and English. Foreign participants can present the PCR test results when crossing the border and upon arrival in their country of residence.

**BADGE COLLECTION**

The SPIEF 2021 venue and a number of cultural, sports and entertainment programmes events may only be accessed if you have an accreditation badge.

We kindly ask that you collect your accreditation badge in advance at one of the accreditation points in Moscow or St. Petersburg in order to ensure easy access to the Forum venue.

Participants must have their badge and identity document (passport) with them at all times while at the Forum venue. The badge is personalized and may not be transferred to third parties.

If the accreditation badge is lost or damaged, please go to the Help Desk or any accreditation stand, or call +7 (812) 680 0000.

Before obtaining a badge, please make sure that conditions 1–4 in the diagram below have been observed:

1. Participation in the forum is confirmed via the Roscongress personal account
2. Personal information provided in the Roscongress personal account matches participant’s ID (passport) exactly
3. A badge photo has been uploaded to the Roscongress personal account*
4. Participation fee is paid
   - Processing of data indicated in Roscongress personal account (process takes at least one day)
   - Participant badge is issued

* Colour photo against a light background, photo size 480x640 pixels, file format – jpg or jpeg.
  Full-face photo without headgear, with the face taking up at least 70% of the photo.
If there have been any changes to a participant’s ID since the application was completed, their personal data needs to be updated in the Roscongress personal account accordingly. If changes need to be made to fields that cannot be edited, a participant should inform Forum organizers via the contact person at the Roscongress Foundation.

Before issuing a badge, an accreditation point attendant will make sure that the data specified in the Roscongress personal account corresponds to the ID document. **In the event of any discrepancies, it will not be possible to issue a badge the same day.**

Participant accreditation badges may be collected in person (by presenting the identity document that is listed in the Roscongress personal account) or by a third party acting on the basis of a power of attorney.

The authorized person must present the following:

- The authorized third party’s passport
- An original standard power of attorney
- A list of participants
- Copies of the passports of all participants to be accredited
- Originals of personal data consent forms

**For a power of attorney form, a personal data consent form, and for locations and operating hours of accreditation points, see:**

‘Badge collecting’ section of the Forum website

**Electronic ticket**

To simplify and expedite collection of accreditation badge a participant may present an electronic ticket at an accreditation stand.

You will be able to print out an electronic ticket via the Roscongress personal account (‘Events – SPIEF 2021 – Event dashboard’ section). The electronic ticket contains information about the participant (full name, organization, and country), accreditation point locations and operating hours, and other essential information.

The electronic ticket is not a prerequisite for obtaining accreditation; it does not serve as a replacement for ID and does not grant access to the Forum venue or events of the cultural, sports and entertainment programmes.
ACCREDITATION OF PERSONAL VEHICLE

Forum participants may obtain accreditation for a personal vehicle in order to access the ExpoForum Convention and Exhibition Centre. More information on terms and conditions can be viewed in the Roscongress personal account, where accreditation requests for personal vehicles and drivers can also be submitted.

Please note: accreditation of a personal vehicle is not included in the Standard participation package.

Accreditation requests will be accepted until 1 June 2021.

Once applied for, transport passes and drivers’ accreditation badges can be collected in person or by power of attorney at Accreditation Centre 1 (Outlet Village Pulkovo).

To view details on the conditions of accreditation, as well as the schedule for issuing transport passes and drivers’ badges, see:

‘Accreditation of personal vehicle’ section of the Forum website

Each transport pass is issued to a single specific vehicle and is linked to the vehicle’s data and access rights to the ExpoForum Convention and Exhibition Centre and parking areas. It is forbidden to transfer a transport pass or driver’s badge to a third party. Should this occur, the pass and/or badge will be withdrawn and annulled.

Accredited vehicles can park in areas matching the index on their transport pass. These include areas at ExpoForum or Pulkovskoye Shosse/Perevedenskaya Ulitsa (for vehicles with right of transit through the Forum venue and access to off-site parking areas). Free shuttle buses will run between ExpoForum and off-site parking areas A2, A3, A4, A5, and B.
